"In this fascinating account of an extraordinary life and career, Shashi Tharoor, eminent United Nations diplomat and author of India: From Midnight to the Millennium, traces Nehru's development from privileged child, posturing young nationalist, and valiant fighter for independence, to unchallengeable prime minister and global statesman. Tharoor casts an unflinching eye on Nehru's heroic efforts for, and stewardship of, independent, India and gives us a careful appraisal of his legacy to the world."--BOOK JACKET.
